Digital Center for Risk  
Management Education

## THE AG RISK EDUCATION LIBRARY: AN ONLINE LIBRARY OF RISK MANAGEMENT MATERIALS THAT HELP PRODUCERS QUICKLY LOCATE SPECIFIC RISK MANAGEMENT TOPICS

The library organizes thousands of risk management materials that **producers** and **agricultural professionals** use to quickly locate information and assistance on specific risk management tools. For producers, two valuable components are the “**Ag Risk**” materials and the “**Budget Library**”.

### “How To” Guide:

First, go to

<http://www.agrisk.umn.edu>

- Click on **Ag Risk Library**, located on the upper left corner.
- Then, **Search By Topic** using the tabs Production, Price, Financial, Legal, Human, or General.
- Don't see what you are looking for? Use the **Search toolbar** located at the top of the site.
- Click the topic that fits your needs.

### Example topics include:

- **Production Risk**
  - Crop Insurance
  - Crop Damage
  - Insurance for Livestock
  - Livestock Losses
  - Enterprise Diversification
  - Organic Production
- **Price Risk**—Do you need help with a Livestock Marketing Plan? Find this topic in Price Risk, click on it and discover top notch articles such as “**A Beef Cattle Retention Decision Tool**” .
- **Financial Risk**
  - Strategic and Business Planning
  - Financing
  - Financial Management
  - Business Organization
  - Policy and Trade
  - Asset Management and Control

- **Legal Risk**
